7. **SPECIAL VISITS:**

A. Holdovers -

Inmates in holdover status will be permitted to visit with immediate family only. Approval for holdover visits will ordinarily be approved immediately, if the immediate family is identified in the Presentence Investigation Report. Visits for holdover inmates will take place on Tuesday's only and will be supervised by Unit Team staff. Visiting forms will be kept on file with the regular visiting forms for tracking. There are no administrative expenses incidental to arranging and supervising visits of holdovers.

B. Special Visits -

Special visits may be approved on a one-time basis. The authority to approve a special visit is delegated to the Unit Manager, the acting Unit Manager, or the Institution Duty Officer (IDO). Generally, special visiting privileges must be requested at least two weeks in advance of the proposed visit and approved by the Captain. If the Visit requested is an attorney or someone to interview the inmate the Unit Team staff will be responsible for the supervision of these visits. Each approved special visitor will complete a Visitor Information Form (BP-629), which will be reviewed by staff prior to allowing entry into the Visiting Room. If questions arise during review of the responses to the questionnaire, the Shift Lieutenant will be contacted to make a determination to allow/not allow entry.

C. Guidelines for Clergy and Minister of Record -

Guidelines for processing visitation requests for special visitors classified as clergy and minister of record are established:

Minister of Record - An inmate requesting to receive visits from his minister of record must submit a written request to the Chaplain. Upon approval, unit staff will add the name and title (minister of record) to the inmate's visitor list. An inmate may only have one minister of record on his visiting list at a time. The addition of the minister of record will not count against the total number of authorized regular visitors an inmate is allowed to have on his visiting list and **will not count against the total number of social visits allowed.**

Clergy - Visits from clergy (other than the minister of record) will be in accordance with the general visiting procedures and will count against the total number of regular visits allowed. Ordinarily, clergy visits will be accommodated, when requested by the inmate. However, the Chaplain may approve a visitation request initiated by the clergy if the inmate wishes to visit with the clergy. The Warden may establish a limit to the number of minister of record and clergy visits an inmate receives each month.

D. Procedures for Disapproving Proposed Visitors -

Staff shall give consideration to the nature, extent, and recentness of a proposed visitor's criminal conviction when determining visiting privileges. If the Unit Team determines there is security or management concerns, a justification memorandum must be submitted to the Warden for approval or disapproval.

E. **Written Guidelines for Visitors -**

All written guidelines for visitors (Attachment C) of FCI/FPC Ashland are available on www.bop.gov. Additionally, all inmates will receive written guidelines that will be mailed by the inmate to their proposed visitor(s). Staff will also ensure a Notification to Visitor form (BP-A0224) (Attachment G); acknowledging the guidelines were provided, and declaring that the visitor does not have any article in his/her possession which the visitor knows to be a threat to the security of the institution is signed by the inmate visitor. Visiting privileges will be denied for any visitor who refuses to make such a declaration.

8. **PREPARATION OF THE LIST OF VISITORS:**

Visits are permitted to those on the inmate's approved Visiting List as authorized by the inmate's Unit Team. It is the responsibility of the inmate to advise his friends and family not to visit prior to the inmate receiving notification from the Unit Team they have been authorized as visitors. Each inmate will be authorized no more than twenty (20) visitors on their Visiting List. This includes children. Except for immediate family, visitors will not ordinarily be placed on more than one inmate's approved Visiting List. All visitors under the age of 18 must have the Visitor Information form (BP-629) signed by the legal guardian or parent authorizing visits. All approved visitors, regardless of age, must be placed on the inmate's visiting list. In order to make additions to this list, an equal number of visitors must be removed from the existing list.

- A. The inmate must have known the proposed visitor(s) prior to incarceration. This requirement includes the Federal Correctional Institution and the Satellite Camp. The Warden's approval must be obtained for any exception. The Unit Team must submit a request to the Warden requesting any exception. This applies to all inmates regardless of the institution's security level. Exceptions will be made of children being born after the inmate's incarceration to include their own child, grandchild, niece or nephew.
- B. In the event the computer visiting program is inoperable, the Front Lobby Officer will refer to the hard copy visiting lists that are secured in the front lobby station. The Unit Team will be responsible for maintaining up-to-date files for accuracy.

9. **GENERAL INSTRUCTIONS:**

- A. When the inmate arrives for his visit at the FCI or the FPC, the inmate will be visually searched by the Visiting Room Officer before being permitted to enter the visiting area. All personal property authorized for retention in the visiting room will be inventoried on the Visiting Room Property form (Attachment F).
- B. No money will be accepted for deposit to an inmate's account, nor will money be transmitted to inmate visitors during the visiting period. All money must be sent through the mail. - I. Documents or papers will not be examined or signed in the visiting area without the approval and/or presence of a member of the inmate's Unit Team. After staff inspection for contraband, legal documents may be exchanged incidental to attorney visits.
- J. A walk-through metal detector and hand held trans-frisker are utilized at the Front Entrance of the FCI for screening purposes. All visitor's must clear the walk-through metal detector. In the event the individual cannot pass the walkthrough metal detector, the Front Entrance Officer will immediately notify the Operations Lieutenant and the Institution Duty Officer (IDO) at that time the hand held trans-frisker can be used in an attempt to isolate the problem area. Visitors refusing to proceed through the metal detector will not be permitted to enter the visiting area and will be denied the opportunity to visit. All visitors at both the FCI and the FPC will be subject to a security search each time they enter the visiting area. All visitors will be subjected to a search of their belongings.

If a visitor has a medical implant that sets off the metal detector, they should provide medical documentation, endorsed by a physician, to the Front Entrance Officer as proof stating the area of the implant. In the event the visitor is unable to provide medical documentation for implants, the Operations Lieutenant or Institutional Duty Officer will be contacted. A further search of the visitor may be conducted in accordance with the Program Statement Searching, Detaining, or Arresting Visitors to Bureau Grounds and Facilities. If the visitor does not clear a metal detection device and refuses a pat search, the visitor will be denied access to the secured perimeter of the facility.

with this device based on the established testing pattern for the date of the visit. Visitors who fail to clear the ION Spectrometer will not be permitted to enter the facility.

- L. Visitors may refuse to be tested with the ION Spectrometer. Refusal will, however, result in the visitor being denied access to the institution.
- M. Once a visitor enters the visiting area, they must remain in the visiting room for the duration of the visit. If a visitor must leave the visiting room for any reason, the visit will be terminated and the visitor will not be allowed to return for the remainder of that day.

10. **FREQUENCY OF VISITS AND NUMBER OF VISITORS:**

- A. Normally, the total number of visitors (including children) will not exceed three. Any exceptions will be requested through the Unit Team, and approved by the Captain. A point system will be utilized at the FCI, with each inmate receiving 10 points per month. A weekday visit will count as one point and weekend/holiday visits will count as three points. For example, an inmate receiving seven weekday visits and one weekend/holiday visit will have used all of his points for the month. The Front Lobby Officer will utilize the automated visiting program to document visits, log visiting times, and track points. A hard copy of each inmate's visiting list will be placed in the inmate's central file, a copy given to the inmate, and a copy to the Front Entrance Officer. The hard copy of the visiting list maintained by the Front Entrance Officer and the Camp Visiting #1 Officer must be kept up to date. It will be utilized to process visitors in the event the computer visiting program is inoperable.
- B. Unit Team will publish quarterly monthly calendars on Trulincs to identify your unit's day to visit during the weekend. It will be the inmate's responsibility to ensure that they notify their potential visitors of the appropriate day to visit.
- C. A point system will be utilized at the FPC, with each inmate receiving 10 points per month. The first visit of the month will count as five points and any visit thereafter, including Federal Holidays, will count as one point. For example, an inmate receiving five weekend visits and one holiday visit will have used all of his points for the month.

VISITING RULES AND REGULATIONS

1. It is the policy of this institution to provide visiting facilities and procedures that will encourage wholesome and meaningful visits with relatives, friends, groups, etc. Visits are stressed as an important factor in maintaining the morale of each inmate and motivating him toward positive personal interactions. It is the responsibility of each visitor/inmate to adhere to the visiting regulations as set forth in the following paragraphs.
2. Social visits are permitted from 8:00 a.m. to 3:00 p.m., Saturday through Monday. There is no visiting at the institution on Tuesday, Wednesday, Thursday, or Friday. Each inmate will be allowed to receive a total of ten visiting points a month. An inmate's immediate family; mother, father, stepparents, foster parents, brothers, sisters, wife and children, are routinely approved as visitors. Each inmate is responsible for obtaining Unit Team approval for prospective visitors.
3. At the present time, our visiting facilities are limited; therefore, it may become necessary to limit visits due to these facilities becoming overcrowded. When overcrowded conditions exist, visits will be terminated based upon equal consideration of: Those who have visited the most frequently - those who reside in the Tri-State Area - those who have visited for the longest period of time. Visiting may also be terminated due to institution emergencies and improper conduct by the inmate or his visitor. Limitations on the length or frequency of visits may be imposed when these visits interrupt the continuity of an inmate's program.
4. Embracing and kissing as a greeting or farewell is permitted within the limits of acceptable conduct upon arrival and departure of visitors. When continued intimacy occurs throughout the visit, the visit may be terminated due to this unacceptable conduct. It should be noted that when the visit is terminated due to unacceptable conduct, the inmate will receive an incident report and face possible disciplinary action.
5. All monies, packages, gifts and pictures must be received by the inmate through the institutional mail system. None of the above will be given by the inmate to his visitors. None of the above will be accepted by the Visiting Room Officer, nor through the Visiting Room.
6. Prospective visitors under the age of 16 must be accompanied by a parent, legal guardian or a member of their immediate family who is at least 18 years of age; or have written consent from a parent, legal guardian or member of their immediate family prior to the visitation.
7. Each adult visitor, 16 years of age and older, will be required to provide proof of their identity to the Front Entrance Officer in the form of picture identification. Adult visitors will be required to sign information forms indicating their name, complete address, inmate being visited, and acknowledging their awareness and understanding of possible penalties for violation of visiting regulations and/or the introduction of contraband. Any attempt to bring unauthorized items into the institution is a serious violation of Federal Law (U.S. Code, Title 18, Section 7291) and is punishable by imprisonment and/or fine.
8. The Visiting Room Officer is responsible for supervising the visits and recognizing the fact that we have many age groups of visitors from young children to senior citizens; the best interest of a wide variety of citizens must be considered in setting standards on attire. Visitors are expected to use good judgment and taste in their dress. Persons who come immodestly and/or provocatively dressed may be denied the privilege of visiting. Dresses, skirts, and capri pants must be below the knee when seated. No portion of the breasts may be exposed. The wearing of T-shirts or other form-fitting clothes by female visitors without bras is prohibited.

Prohibited clothing items include, but are not limited to: see-through; fishnet; form-fitting (Lycra or Spandex); low-cut, backless, sleeveless, or strapless blouses and/or dresses; shorts; halter tops; swimwear; clothing which exposes the midriff portion of the body; ripped or torn jeans; and other revealing clothing items. The wearing of any type of club, gang, or other organization symbols is strictly prohibited.

Tight, provocative dress is not acceptable at any time in the Visiting Room. This includes but is not limited to leggings, jeggings, Spandex/Lycra tight pants/jeans, etc. Any clothing similar to that worn by inmates is not acceptable. Questionable attire will be clarified by the Operations Lieutenant and/or the Institution Duty Officer.

9. Visitors are to have and maintain complete control of their children while in the Visiting Room or on institutional property. Limitations may be necessary when an inmate has a large number of regular approved visitors living in the vicinity of the institution. The maximum number of adults who may visit an inmate at one time is four; but may be adjusted within the guidelines to prevent overcrowding in the Visiting Room.
10. It is permissible for the inmate's visitor to give the inmate items from the vending machine to be consumed while on a visit. Each inmate will assume responsibility for proper conduct during visits with as much control of his visitors' conduct as may be expected of him. Each inmate and his visitors are expected to maintain a safe and sanitary visiting area. The use of cameras or recording equipment without written consent of the Warden is strictly prohibited. No cell phones or pagers will be allowed. Documents or papers will not be examined or signed in the Visiting Room without the approval of a member of the inmate's Unit Team. Visitors are encouraged to store all of their parcels, handbags, etc., in their vehicles or in their motel rooms prior to coming to the institution. Additionally, personal photographs, makeup containers, chewing gum and mints will be prohibited. These items will not be allowed into the Visiting Room. Any effort to evade the visiting regulations may result in disciplinary action for the inmate and possible legal proceedings against the visitor.
11. It should be noted that in a situation where a visitor is suspected of attempting to introduce contraband onto institutional property or into the institution, that visitor is subject to a detailed search of their person and personal items to include their vehicle.
12. The television in the Visiting Room is for the children; the Visiting Room Officer will control the volume and channel, and ensure that the programming is suitable for their viewing. Disputes over programming will be settled by the Visiting Room Officer.
